Manufactured to fully killed practice by Electric Arc Furnace. Welding or weld repair was not performed on this material.

Mercury has not been used in the direct manufacturing of this material. Produced as continuous cast as-rolled discrete plate.

Yield by 0.5EUL method unless otherwise specified. Ceq = C+(Mn/6)+(Cr+Mo+V)/5+(Cu+Ni)/15

Pcm = C+(Si/30)+(Mn/20)+(Cu/20)+(Nb/0)+(Cr/20)+(Mo/15)+(V/10)+B

Melting and manufactured in the USA. ISO 9001-2000 certified (#12413-0) by SRI Quality System Registrar (#0985-09). PED 97/23/EC Compliant.

DIN 50049 3.1 B/EN 10204 3.1 B(2004) compliant. For ABS grades only. Quality Assurance certificate No. 03-MMP-QA-182

We hereby certify that the contents of this report are accurate and correct. All test results and operations performed by the material manufacturer are in compliance with the applicable specifications.

Freight Term:

F.O.B. PREPAID

BOL No. 109441

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any portion of said route to destination, and as to each party at any time interested in all or any of said property that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Uniform Freight Classification in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification. Shipper here by certifies that he is familiar with all the terms and conditions of the said bill of lading, set forth in the classification or lawfully filled tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

Melted and Manufactured in the USA. Pieces : 28 Tons : 91.50 lbs: 182,956.03

This is to certify that the above-named articles are properly classified, described, packaged, marked, and labeled, and are in proper condition for transportation according to the applicable regulations of the Department of Transportation. If this shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is "carrier's or shipper's weight". Shipper's imprints in lieu of stamp, not a part of Bill of Lading approved by the Department of Transportation. NOTE: Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The fiber containers used for this shipment conform to the specification set forth in the box maker's certificate thereon, and all other requirements of Rule 41 of the Uniform Freight Classification and Rule 5 of the National Motor Freight Classification.
